

Advantage Xenon PLUSXL

Product Description

High quality, German manufactured Olympus® compatible flexible/rigid endoscopy lightsource. Short Arc 100w Xenon lamp with integrated air-pump.

The advantage PLUSXL lightsource is ideal for both flexible and rigid applications. Due to high quality German engineering and low cost this lightsource is perfect for specialist referral practices wanting a higher quality light source, or to upgrade existing bulky lower quality units.

Specifications: 100w Xenon lamp, Integral air-pump

Accessories: 100w Xenon bulb ref. 81002, Non-autoclavable waterbottle, high quality fibrelight cable
